11. Malenko Marinov, MASHO, Bulgaria
12. Gabriel Popescu, GEI, Romania
13. Norocel Codreanu, UPB-CETTI, Romania
14. Martin Klossek, eWorks, Germany
15. Mile Stakovski, UKIM, Macedonia
16. Dragan Stankovski, ATRONIKA, Macedonia
17. Elena Eyngorn, TU Berlin, Germany
18. Vladimir Stavrov, AMG Technoology, Bulgaria
19. Rosario Gil, UNED, Spain

The mCloud learning environment was presented by Oliver.

All courses were evaluated by the academic and business partners. There was a discussion on the use of Flash animation for the simulations of BME courses. Finally it was decided to leave it because it is enormous work done and the simulations and animations are appreciated by the students.

eWorks presented the results of the test of the mClouds at each university.

ToDo List

- Training workshop for teachers by the industrials on job-linked education, 30-31 October 2017 at CETTI, Bucharest
- To perform the pilot test until the end of 2017.
- To ask the users to answer the questioners from the survey on usability of the environment.

- Next PSC virtual meeting for pilot test reporting – on 05 January at 11:00 CET.
